

Chamber Picks Three Directors, Fourth in Tie

The glow of perfection

Three new members of the board of directors of the Torrance Chamber of Commerce were named as the result of the closest balloting in Chamber history, according to Dean L. Sears, election and nominations chairman.

Named to three-year terms on the board were Arthur O. Otsea, vice president of the California Bank; C. N. Rucker, plant superintendent of the Union Carbide Chemicals Co., and Dr. Howard Wood, M.D., physician and surgeon.

A tie between two other candidates will require another run-off, in which balloting will close on Jan. 3. Tied for the other spot are George A. Bradford, president of the George A. Bradford Co., and William R. Zappas, of the Southland Publishing Co.

COIN SYSTEM
The American system of coins was devised by Thomas Jefferson.
